Part 1: Notices

**To Debtor(s):** This form sets out options that may be appropriate in some cases, but the presence of an option on the form does not indicate that the option is appropriate in your circumstances or that it is permissible in your judicial district. Plans that do not comply with local rules and judicial rulings may not be confirmable.

*In the following notice to creditors, you must check each box that applies*

**To Creditors:** Your rights may be affected by this plan. Your claim may be reduced, modified, or eliminated. You should read this plan carefully and discuss it with your attorney if you have one in this bankruptcy case. If you do not have an attorney, you may wish to consult one.

If you oppose the plan's treatment of your claim or any provision of this plan, you or your attorney must file an objection to confirmation at least 7 days before the date set for the hearing on confirmation, unless otherwise ordered by the Bankruptcy Court. The Bankruptcy Court may confirm this plan without further notice if no objection to confirmation is filed. See Bankruptcy Rule 3015. In addition, you may need to file a timely proof of claim in order to be paid under any plan.

The following matters may be of particular importance. **Debtors must check one box on each line to state whether or not the plan includes each of the following items. If an item is checked as "Not Included" or if both boxes are checked, the provision will be ineffective if set out later in the plan.**

These payments will be disbursed either by the trustee or directly by the debtor(s), as specified below. Any existing arrearage on a listed claim will be paid in full through disbursements by the trustee, with interest, if any, at the rate stated. Unless otherwise ordered by the court, the amounts listed on a proof of claim filed before the filing deadline under Bankruptcy Rule 3002(c) control over any contrary amounts listed below as to the current installment payment and arrearage. In the absence of a contrary timely filed proof of claim, the amounts stated below are controlling. If relief from the automatic stay is ordered as to any item of collateral listed in this paragraph, then, unless otherwise ordered by the court, all payments under this paragraph as to that collateral will cease, and all secured claims based on that collateral will no longer be treated by the plan. The final column includes only payments disbursed by the trustee rather than by the debtor(s).

*The following plan provisions will be effective only if there is a check in the box "Included" in § 1.3.*

**Unless otherwise ordered by the Court, Chapter 13 Trustee payments will be disbursed in the following order: (a) Administrative and secured claims to be paid in full; then (b) Priority unsecured claims to be paid in full; then (c) nonpriority unsecured claims. All contractual provisions regarding arbitration or alternative dispute resolution are rejected in connection with the administration of this Chapter 13 case.**

**To receive payment from the Chapter 13 Trustee, creditors must file proofs of their claims. Confirmation of the Plan does not bar a party at any time from objecting to a proof of claim for good cause shown. If a claim is listed in the Plan as secured and the creditor files a proof of claim as an unsecured creditor, the creditor shall be treated as unsecured for purposes of distribution and any other purpose under the Plan and the debt shall be subject to discharge. Any creditor's failure to object to confirmation of the proposed Plan shall constitute the creditor's acceptance of the treatment of its claim as proposed in the Plan.**

**If a creditor affected by this Plan chooses to report Debtor's account information to a consumer reporting agency, such reports shall be consistent with the terms and provisions of this Plan, as confirmed, and 11 U.S.C.1327(a).**

**The automatic stay provided in 11 U.S.C.362(a) is modified in Chapter 13 cases to permit affected secured creditors to contact the Debtor about the status of insurance coverage on property used as collateral and, if there are direct payments being made to creditors, to allow affected secured creditors to contact the Debtor in writing about any direct payments default and to require affected secured creditors to send statements, payment coupons, or other correspondence to the Debtor that the creditor sends to its nonbankruptcy debtor customers. Such actions do not constitute violations of 11 U.S.C. 362(a).**

**Confirmation of the Plan shall impose an affirmative duty on mortgage creditors and servicers, with respect to application of mortgage and mortgage-related payments, to do the following upon confirmation of the Plan: (a) Apply all post-petition payments received from the Chapter 13 Trustee and designated to the pre-petition arrearage claim only to such claim; (b) Apply all post-petition payments received from the Debtor only to post-petition payments;**

**(c) Refrain from assessing or adding any additional fees or charges to the loan obligation of the Debtor unless notice of such fees and charges has been timely filed pursuant to the applicable Federal Rule of Bankruptcy Procedure.**

**A postpetition default on the Debtors' mortgage shall not prevent or deny the entry of a discharge in this case. Instead, any unpaid postpetition balance shall be nondischargeable.**

**Unless otherwise ordered, any creditor holding a claim secured by property which is removed from the protection of the automatic stay, whether by judicial action, voluntary surrender or through operation of the Plan, will receive no further**
